

# BCR<sup>®</sup> CE FACE MASK

Berkshire's Critical Environment (CE) Masks are designed to minimise human contamination while being comfortable to wear for long periods. The very high filtration level comes from an improved filtration media. CE masks are made with a specialised outer layer to further reduce particle contamination.

## ADVANTAGES

- Minimises human and particle contamination
- Contains no chemicals, surfactants, binders or fiberglass
- Easy to breathe

BCR CE Facemask

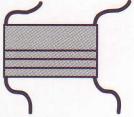

## TECHNICAL SPECIFICATIONS

- Particle filtration efficiency @ 0.1 micron (PFE) 99%
- Bacteria Filtration Efficiency @ 3.0 micron (BFE) 97%
- Differential Pressure (Delta P) 1.5
- Helmke Drum (Particles Count > 0.5 micron) 100
- Skin irritation None

Recommended for use in cleanroom Class 10 & 100

## ORDERING INFORMATION

ITEM	PACKAGING
CE-3PEL	50 pieces/pack, 2 packs/bag, 20 bags/case
CE-3PEL.W	50 pieces/pack, 2 packs/bag, 15 bags/case
CE-3PHL	50 pieces/pack, 2 packs/bag, 20 bags/case
CE-3PHL.W	50 pieces/pack, 2 packs/bag, 15 bags/case
CE-3P4T	50 pieces/pack, 2 packs/bag, 15 bags/case
CE-3P4T.W	50 pieces/pack, 2 packs/bag, 15 bags/case
